

GROUP AND TEAM COACHING INTENSIVE

Thursday July 27 and
Friday July 28, 2023

Bracebridge, Muskoka, Canada

July 2023 - Muskoka

As a leader in the field of Group and TEAM Coaching, Jennifer Britton, author of **Effective Group Coaching** (Wiley, 2010) and **From One To Many- Best Practices for Team and Group Coaching** (Jossey-Bass, 2013) is pleased to bring back our two day in-person intensive group and team coaching skills training program. Offered since 2010, this program provides coaches with the opportunity to take an intensive dive into the practice of these emerging fields.

The program fuses the essentials, foundations and principles of two of the quickest growing areas of the coaching profession - group and team coaching - with the opportunity for you to refine and practice group and team coaching skills. This program is for coaches who are keen to learn more about the techniques, skills and practice of group and team coaching. This is an intensive small group learning experience and typical group size is 8 - 12 coaches.

This is an experiential, hands-on program, designed for coaches to:

- Gain a deeper understanding of what group coaching is how it differs and is similar to 1-1 coaching, team coaching, workshops and retreats;
- Explore how their current coaching skills can be adapted for the group and team coaching contexts;
- Acquire tools, techniques and templates so you can design, implement and market your own group coaching programs; Practice and receive feedback on your group coaching skills.

This program will be of interest to coaches who:

- Are interested in expanding their work to groups and teams
- Are looking to coach groups in the corporate sector or with the general public
- Are looking to provide group coaching in person or virtually.

The program is can be offered in other locations for groups of coaches who are interested in hosting this experiential program. The program is being renewed for 19 hours of Continuing Coach Education by the International Coach Federation (ICF) – 17 hrs. of Core Competencies, 2 hrs. Resources.

2023 programming includes two new blended learning component – more formalized pre-work and also a short post-session listening assignment.

Hours: Day 1 – 8:30 - 5pm, Day 2 - 8:30 – 4:30 pm
